HAPPY  
NEW YEAR 2014

Sunday Lunch at Tazino's

January 12th, found 24 Greater Milwaukee Model T Club members assembling at Tazino's in Oak Creek, for the first club event of 2014. Most arrived at South Howell Ave, just after 11:00 and enjoyed a nice buffet style lunch and each others company. It's been a long time since our last event and there was a lot of catching up to do with the other members. Our newly elected President Mark Paulson was there, Dwayne Nicholson is installing hydraulic brakes on his coupe, Maynard Knudson was very interested and may do the same, John Meinholz has sold his speedster, new member Jeff Schmitterger and his wife attended and many others were there (check out the group picture). These winter brunch/lunch events are an excellent way to meet and greet, stay current with other members projects and lives. For an added bonus, Lance and Paula ran a raffle for all the came. Winners received a Kenosha Kringle. If that's not reason to come in itself, I don't know what is. We all need to thank Lance and Paula. More pictures on Page 9.
