October 2014 Volume 10 Number 10

Saturday, September 27, turned out to be an excellent day for a tour in the country on the road less traveled. Around 8:00 am Mike Zahorik, Tim Kirst, & Ross and Gloria Arnold met Ruth Wegener and Sharon Venski at Sharon's home. After loading the cars and starting out, we toured through downtown Milwaukee toward the lake front. How many cars do you drive where you get waved at, a lot! We drove on along the beaches and through Sherwood and Whitefish Bay, then stopping at Maxfield's Restaurant for some breakfast. Here we met up with John and Jim Markel. Once the coffee gauge moved to full we motored north along County Highway W to Saukville to show our cars at the Schmit Brothers 102nd year celebration. Along with us, the Thunder Bird club and many others appeared. Club member Mike Schmit has been doing this annual car show for a few years, starting (Go to Page 14) with the 100th anniversary. Live
