MS Walk SummerFest

Sunday, May 4th was a cool, sunny day down at the SummerFest grounds, where many many people assembled to participate in the MS Walk. This year, Paula's Posse (and dogs) walked again, this time along the shores of Lake Michigan. Walk MS connects people living with MS and those who care about them. This community event, raises funds to give hope to the more than 2.3 million people living with MS worldwide. Since the first walk in 1988, to date more than \$770 million has been raised to support life changing programs and cutting-edge research. We assembled in on the SummerFest Grounds, where you could get (for free) fruit, bread, juices and other fortifying items. Walking north from SummerFest, we walked along the lake, past the Art Museum, along the lagoon, over to the Marina, along the harbor line and back to the SummerFest grounds, a little over 3 miles. After ward we meet at Denny's for some lunch.
