Sunday, Sunday.....Sunday

Paula Pauley has completed another successful series of winter Sunday Brunches and Lunches. The winter months are always a little sparse of Model T events. The cold and snow has the T's generally bundled up somewhere and the Club members are hunkered down somewhere fending off the elements as best as possible. A few years ago, Paula started having a few Sunday Brunches. These are get togethers where club members can use their modern iron to meet other members for a little bit to eat and catch up on life and those Model T plans for the up coming spring. Paula does a darn good job of corralling members with a little cabin fever and getting them to come out for a nosh and some conversation. In January, nine of us got together at the Charcoal Grill in Racine. It was an excellent day, in fact Lance and Paula drove their '25 pickup to the restaurant. Then in February, the weather struck back. Even though the selected restaurant was in Oak Creek, the snow fall caused most members to cancel and only four members braved the storm for a bite to eat. The last Brunch/Lunch was held this March at the Olive Garden on 76th street. This location was very popular last year and proved to be again. 18 of us showed up for a little Italian lunch. These events are an excellent way to get out and meet the membership. If you have a Model T or (Go to P14)
