

The Greater Milwaukee Model T Club participated in a number of 4th of July parades this year and was invited to a few more , but at a rather late date. We have, for a long time attended the Alcott Park Parade and for the second year in the City of Shorewood parade. We were invited to the City of Brookfield parade and again to the City of Wauwatosa. We also received an invitation from the City of Pewaukee, but it arrived late in June for anyone of us to respond. For the last few years, we only attended one or two parades, but things are changing. Even though our politicians are having a difficult time agreeing on policy, we still live in the best country there is on the planet. Isn't it great to be citizens of a country where you can laugh and talk about things. Free as a breeze. And write and read and worship too. Maybe you don't think about it much, but you should.
