## German Fest & Heritage Day Parade

The end of July went out on a good note with 6 club members participating in the South Milwaukee Heritage Days Parade and chauffeuring 2 Honor Flight recipients. It was a great start to the day. Thanks to Sharon Venski for organizing this great event. Then, we toured to Germanfest and were joined by a few more cars. The club was diversely represented by cars ranging from 1911 to 1931. The weather was beautiful and people really seemed to enjoy the cars and the stories that came with them. We sampled excellent German cuisine and beverages and ended the day with a very fun, intimate parade around the grounds. Thanks to John Meinholz for organizing this great event. More pictures on page 14. *The editor would like to thank Paula Pauley for writing this article.*

## IN --- Valves --- OUT Part 2
