Schmit Brothers Car Show

We could not have asked for, or planned a nicer day for a ride to Saukville. A number of members met at the Maxfield's Pancake House for some breakfast and then drove north on County W to Saukville. Those that made the trip were, Lance Pauley, Jack Gueldenzopf, Dave & Myra Hjortnaes, John & Mary Lou Gelfer, Bruce & Brandon Butler, Mike Zahorik & Erv Wilkowski. We also met up with new member John Boswell. Once we got to Schmit Brothers, we set up in our usual spot. This year we shared it with a neat 1931 Fire Truck. Lance set up a little shelter tent to help with the blazing sunshine. We registered our cars, which the proceeds went to charity. There was a live band and the boy and girl scouts were selling hamburgers, brats and soda. Mike Schmit helped them out with expenses. There were the usual cars there, many Thunderbirds, hot rods, and other cars of interest. When the temperature got to us, we could go inside the dealership, relax in the air conditioning and enjoy some of Mike Schmit's coffee and cookies. We all had a good time and should thank Schmit Brothers for the car show. More pictures on P. 14
