

PLANETARY NEWS

February 2017 Volume 13 Number 2

Christmas in February

Jon Kaiser, relatively new member of the club has dove into the hobby with both feet. He recently purchased another TT Truck and has just come into a treasure trove of Model T parts. A year or so ago, Jon purchased his first TT Truck and the Coach House Crew helped him get the truck running and on the road. Jon purchased the truck from Sound Systems in Milwaukee. Then a few months ago Sound Systems contacted him regarding selling their huge inventory of use Model T parts. Jon and Mike Zahorik hot footed it down to 1st and National for a close up peek of alleged stash. The collection was impressive, but priced a little high. Over the next month or so, Jon negotiated with Sound Systems and eventually arrived at a more reasonable price and then brought home a bunch of trailer loads of this treasure trove. (Go to P 15.)

Generator Cutout
