Pauley T-Party 2017 – That’s Amore!!

We couldn't have asked for the weather to be any more perfect. The board meeting went on without a hitch. With business out of the way, it was time to get the party started. The cars, trucks and bikes started rolling in. We had a most diverse group. From older to younger, old friends, new friends and dogs of every shape and size. FOOD – FOOD – FOOD. Again, we had an amazing assortment of dishes. Thanks to all those who brought something to share. Nobody should have left here hungry! Another thanks to the T-Club for donating \$50 towards the party. Next on the agenda was the watermelons. Four of the younger generation (2 teams of 2) triumphantly blew two watermelons up! Lots of smiles and lots of rubber bands. Entertainment was on the way, but a bit late due to a flat tire and low spare. About 1-1/2 hours behind schedule, but worth the wait.

Erich Von Klassen showed up with a drummer and played many favorites. Including a request from Lance to learn YMCA (yup, Village People). Which they did and was a big hit. This looked like a chair yoga exercise. Pretty sure it will be part of their play set now, after seeing how involved the crowd got. Go to P10.
