PAY YOUR DUES for 2009	13

Although it's August, you can never get enough of the Fourth of July. Our club participated in two Fourth of July Parades. Last month we heard about the Wauwatosa parade, this month the Alcott Park Parade. Even though the Alcott parade is a short parade, running from the Alcott Elementary School to the Alcott Park, it still

represents the spirit of our country and the local people living near Alcott park. The Milwaukee Model T club had a few participants in the parade, they included Tim Kirst, John Meinholz,

John Meinholz and wife with his 1925 Depot Hack

Myron Gouza, Gary Breaupre and their cars. The parade started about 09:00 AM and proceeded to Alcott Park from the Elementary School. At the end of the parade the Model T's were lined up to allow the local's a chance to appreciate our vintage iron and to allow our engines to cool. In addition, the county provided ice cream for all the parade entries, this helped the drivers and passengers of the Model T's to also cool off. More pictures on page 10.
