

Sunday September 20, The Milwaukee Model T Club traveled from Mark and Marge Kranz's, with stops along the way to pick up other members, to Schlitz Audubon Nature Center. Mark & Marge Kranz in their 1922 Touring, Ross & Gloria Arnold in their Model A and Mike & Dan Zahorik in their 1926 TuDor left Mark's home around 0930. We all traveled north on Moorland Ave and stopped at the McDonald's on Silver Spring. Here we picked up Bob & Alice Wirth in their Model A and Frank & Nancy Daily in their 1924 Roadster. Here some of us had a little to eat and/or use the facilities. A little after 1100 we all left and headed northeast toward Brown Deer Park. At Brown Deer we met and picked up Maynard & Coral Knudson driving modern iron, Gary Beaupre driving his 1967 Fairlane and John & Mary Lou driving their 1912 Roadster. In the park we stretched our legs and made small conversation. Then the entire tour group made our way to Maxfields Restaurant for some lunch. We all had something to eat, whether just a mouth full to a hearty meal, it all tasted good. Again we fired up the cars and followed Mark & Marge to the Schlitz Audubon Nature Center. The Nature center is a 185-acre stretch of untouched land along the shore of Lake Michigan. There are six miles of trails to hike, trails along the Lake Michigan beach, a spectacular view from their 60-foot observation tower and a nice teaching center. We started at the Nature Center and witnessed a very nice presentation on raptors. The show included live birds, Go to P. 4
