Saturday, October 3 was a cool day with the threat of rain. Never the less a number of hearty car lovers turned out for 2009 South Shore YMCA car show. Bill Magnus with his 1926 TuDor and Mike Zahorik and his 1926 Tudor duked it out for the best Model T trophy. Congratulations goes to Bill Magnus. Tom Buresh was also in attendance. If you missed this show, you missed out on a number of special trophies that were donated from the Henry Ford Greenfield Village Museum. These trophies were something special. The weather caused a small turn out, but still there were quite a few cars and trucks of all kinds. There was a very nice 427 Cobra, a beautiful black 1947 Buick two door, among others. The show began at 10:00 am and continued through 02:00 PM. There was plenty of food, music and some very nice door prizes. I appreciated the 3/8" ratchet and the 6 inch bastard cut mill file, plus all the other items. Kent Sumner did a fine job again. Go to Page 4.
