Parade and our group of six old Fords sauntered along North Avenue, honking our horns, some of us have a few extra mechanical cow noises, bells and whistles. Most people appreciated our cars. The parade turned at 80th street and ended shortly there after. The Alcott Park parade had four cars. Tim Kirst, Bill Magnus, Gary and Evelyn Beaupre, Myron and Jan Gouza (and Grandkids). The Alcott Parade ran from 88th and Wilbur to 97th and Wilbur. At the end there was a band, flags and a cannon, plus plenty of ice cream for all the participants. Go to page 8 for pictures.
