## 9th Annual South Shore Classic Car Show

Saturday, October 2, brought clouds, dropping temperatures and the threat of rain. It didn't rain, although many people were complaining about the cold, no one complained about the Car Show. Once again, Kent Sumner put on an excellent show for the benefit of the South Shore YMCA. The event began at 0800 am. Many cars of all types showed up for judging and the viewing enjoyment of the shivering crowd. The Milwaukee Model T Club was represented by Erv and Mickey Wilkowski, Maynard Knudson, Jim Oliva, Ross and Gloria Arnold, Mike Zahorik and a past member Dick Knaak. There were a few non member Model T people at the event also. The event presented door prizes, 1st, 2nd and 3rd place ribbons, plus eight specialty trophies. There was a special Model T award which featured a Model T, made from wire next to an old time gas pump (see picture on Page 8). Besides all the beautiful cars there was plenty of food, soda and hot coffee available. Even though the weather was cold, 48°, the event attracted many cars and a hardy crowd to enjoy the cars, food and all the prizes. This event benefits the YMCA, an excellent organization that can use the help. Last year this event raised more than \$3500. Pictures on Page 8.
