Tech Seminar at Jim Nowak's

Sunday, March 21, 2010, Jim Nowak invited the Milwaukee Model T Club to his garage to help him with his 1924 huckster. Jim has been working on the huckster since he joined our club last year. The huckster has progressed from a pile of lumber and iron to a recognizable Model T. Twelve members and guests arrived in the early afternoon. Tod Wirth, Bob Wirth, John Meinholz, Ott Wollenzein, Mike Zahorik, Erv Wilkowski, Kevin Helinski, Jim Oliva, Frank and Nancy Daily and Adam Doleshal. Tod Wirth gave a presentation regarding Model T Safety Inspection. Tod passed out the Model T Ford Club of America and the Model T Ford Club, International safety inspection forms. We also received copies on safety wire installation and a period article called "Elizabeth's Hair Pins. This is a reprint from Murray Fahnestock's book, 'The Model T Ford Owner'. Tod reviewed all the safety topics that need checking. Many times -- Go to P.8
