## Lake Geneva Tour

Sunday, May 16th brought out many Model T's and their owners on a warm, bright and sunny day. 23 members and family members assembled at various locations and eventually met in Genesee Depot prior to driving the rest of the way to Lake Geneva. We all stopped at 'In Cahoots' in Genesee Depot to get organized.

Frank and Nancy Daily came with their 1926 Touring (apparently something failed with the '24 Roadster); Bob and Alice Wirth, Model A; John, Tera, Jacob and Emily Meinholz, modern iron; Maynard and Carol Knudson, modern iron; Dan and Mike Zahorik, 1926 TuDor; Dave and Jean Perrine, modern iron; Kevin Esser, modern iron; Ross and Gloria Arnold, Model A; Gary and Evelyn Beaupre, 1921 Touring; Tod and Sharon Wirth, 1922 Roadster & Jim and Cheryl Oliva, 1924 Coupe. Here Kevin Esser passed out the tour maps and explained the route. At about 11:00 we pulled out of the parking lot and made our way south on Highway 83. Due to road construction we were compelled to travel along Highway 83 through Mukwonago. Just south of Mukwonago we turned off the highway and took up our commute on Honey Creek Go to P.8

## In Search of Front Wheel Wobble *part 5*

**1]**— **Lake Geneva Tour** --- Very nice tour on a very nice day.

**5]**— **Model T Coach House** — Recharging magneto magnets while in the car.

**7]**— **Meet New Guy** — Meet John Markel and his 1909 Touring.

**4]**— **President's Message** — 50th Anniversary planning well underway.

**6]**— **I did it, So can you!** — Some Model T front wheels wobble, what are the common causes.
