

PLANETARY NEWS

June 2010 Volume 6 Number 9

The Dairyland Tin Lizzies hosted 'Model T Day in Hartford' on Saturday, August 21st, 2010. The event was again held at the Wisconsin Automotive Museum on Hartford. This museum is the largest auto museum in Wisconsin. The number of cars at the museum increased by about 50 this Saturday. The Greater Milwaukee Model T Ford Club was represented

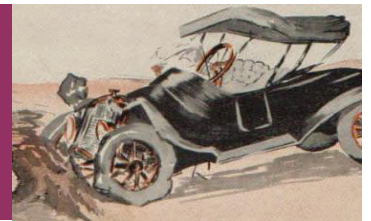

Model T Day in Harford

by many of our members on this nice summer morning. The event included free Model T rides, the car show which included cars, trucks and tractors, plenty of food, brats, hamburgers, soda, and the Museum itself. Cars came from all over south eastern Wisconsin. Examples of all Model T types were on hand for inspection. There were a couple of Model T's available for free rides around the museum area and plenty of Model T nuts that would and did talk about, answer questions about and look at the Model T's.
