Tod works on Frank's Brakes

Spring Tune Up Seminar @ Frank Daily's Garage

Thanks to Tod Wirth and John Meinholz, Nancy will be able to push Frank and his Model T out of the garage to get some fresh air. What a great day to have a seminar. The weather could not have been worse. Cold, rain and beautiful snow. Glad we were inside. While Frank's brakes were being degreased and adjusted Mike Zahorik demonstrated how to rebuild a coil. Nancy enjoyed Mickey's company, as they supervised David and Dianne Daily (Frank & Nancy's son and daughter in law) paint Nancy's kitchen. Thanks to all that participated, Tod Wirth, Bob Wirth, Jim Nowak, Jim Oliva, John Meinholz, Mike Zahorik, Rod Prinsen, Erv and Mickey Wilkowski, Ross Arnold, Frank and Nancy Daily. This is what the Model T club is all about, helping each other. Thank You from Frank Daily. Go to Page 8 for more pictures.
