4th July Picnic @ Knudson's

Once again, many of us participated in 4th of July morning parades and then assembled at Maynard and Carol's for our annual picnic. The weather seemed perfect, sunny and warm. Not cooler near the Lake. With plenty of conversation. Carol and Maynard provided an excellent picnic to help us celebrate the 4th of July. We had burgers and brats along with cold noodle dishes, potato salad, desserts and plenty of beer and soda. After a good picnic lunch, we had an abbreviated Board Meeting,

see page 2. In between eating and meeting we talked Model T's , who's going to IOLA, how is Krantz's engine coming along, how is everyone and many other semi interesting topic. We should all thank Maynard and Carol for putting on a great picnic. Go to Page 8 for more pictures.
