

PLANETARY NEWS

January 2012 Volume 8 Number 1

7 he 2012 Milwaukee Model T Ford Club newly elected officers and board members will begin to work on setting the event and tour schedule for the up coming driving season. Each year, every member receives our "Membership Roster". You may have noticed and probably never paid much attention to the last few pages of the roster. The Club By-Laws are printed here. These rules state how the officers and board members are elected, replaced and can vote. I'm not going to print them here, but take a look when you get your new 2012 roster. In general, there are 11 board members, of which 4 are the officers. The officers have a term of two years and then serve one more year as a board member, should they not be re-elected. The board members serve for one year. These people are elected at the Annual President's Dinner. Back in November, the club elected (pictured, left to right) Sharon Venski as Vice President, Jim Oliva as President, Mike Zahorik as Secretary and Tod Wirth as Treasurer. Your 2012 Officers are and have been active in the club, directing and scheduling events and tours, plus leading tours, seminars and activities. Sharon joined the club in 2006, although has participated in many past club events with her parents who where and are current members. Sharon has lead a number of recent tours, the Quilts on Barns tour and the Great Lakes Drag Away tour. Jim Oliva has been a member since 1980. Jim has previously served as our Vice president. Jim owns a 1924 Ford Coupe, which he inherited from his father. The T came from the junkyard in 1954. Jim's Dad paid a hefty \$75 and it was not well received by his mother. Jim has lead the very successful 2011 Ice Trials and is planning on repeating the event this year. Mike Zahorik has been a member
