October 2013 Volume 9 Number 10

**S**aturday, September 28th, Mike Zahorik met Sharon Venski, Billy and Ruth Wegener at Sharon's home, to drive to the Schmit Brothers Car Show. After loading our cars, we drove north through downtown Milwaukee on the same route we drove on the Manitowoc overnighiter. We stopped at Maxwell's Pancake house for some breakfast. Here we met Dave Hjortnaes and his speedster. Our cars drew a lot of attention from the Saturday restaurant crowd. People were fascinated with the age of the cars and wooden parts. About, 10am, with full stomachs, we headed north toward Saukville. Saturday proved to be a beautiful

day for touring. The temperature was cool and the sun was warm. The trees were just starting to turn color. As we drove through the farm land just north of Milwaukee, it was not hard to imagine autumn. We arrived at Schmit Brothers around 11am. Mike Schmit once again had organized a very nice show. There was live music, free cup cakes and coffee. The Girl Scouts were there providing hot food, pumpkins and other items. The Fire Dept. was there showing off their new equipment, plus a non member Model T, the Thunderbird club cars and many other cars. We had an excellent time looking at the other cars, talking to the site seers, eating the cup cakes, etc. We need top thank Mike Schmit for the excellent car show. Pictures on page 8.
