

PLANETARY NEWS

September 2013 Volume 9 Number 9

GermanFest has been presenting the German way of having fun at the lake front since 1981. The Milwaukee Model T club has been participating for two years now. We all gathered near the south end of the festival grounds to display our cars. We had 9 cars this year and we drew

many people who either just wanted to look or ask questions regarding our cars. This year there were many people that did want to talk about the 'Olde Days'. The festival itself once again had many beer and polka tents or grandstands. There was lots of food, beer and deserts. If you tingle when you hear tuba & accordion music or love to dance a waltz or polka, this is the place for you. Then around 3pm we all lined up our cars for the parade around the festival grounds. After which some of us left and others remained to enjoy the rest of the festival. Those in attendance where, John & Mary Lou Gelfer, John & Jacob Meinholz, Dave & Maren Hjortnaes, Mike Zahorik, Tim & Michelle Kirst, John & Jim Markel, Sharon Venski & Billy, Lance & Paula Pauley, Jim & Cheryl Oliva, Maynard & Carol (Go to P8)
