2024 ROCHESTER MEMORIAL DAY PARADE

The weather has been a little wet this past month or so. May 27th was forecast for more. Yet 10 members met at Chubbies Restaurant for some mid morning sustenance, Jeff and Denise Schmittinger; Chris Schoenemann; Tim & Michele Kirst; Dave Hjortnaes; Jim & Jeff Clark; Erv Wilkowski and Mike Zahorik. The weather was still unsure, so many of the open car members decided to eat and run. Mike Zahorik, Erv Wilkowski, Chris Schoenemann and Dave Hjortnaes proceed onto Rochester for the Memorial day parade. We drove down Marsh Road, past Hippie Tom's and into Rochester. We waited for the line up at the Rochester Fire Station. Had some nice conversation with some of the other participants. This year seemed a little short on cars etal for the parade. Other than ours, there were only a 1/2 dozen or so other vintage cars. Only one farm tractor, but a lot of Army and fire trucks and a big bunch of motorcycles and horses. The parade route was exactly the same as in previous years and we only were in the parade for a little over 20 minutes. All in all it was a satisfying parade and the weather held out. Go to Page 12.

Model T enters the 21st Century
